West Penn Power Terms and Conditions

1. Equipment and services must be purchased between January 1, 2012 through May 31, 2013. Rebate application must be postmarked by June 7, 2013.
2. Please submit one rebate application form per unit.
3. Work must be completed by a participating contractor.
4. Applicant must be a Pennsylvania residential customer of West Penn Power.
5. Customers who purchased qualified equipment before January 1, 2012, also may be eligible for rebates. Call 1-888-265-6684 for more details.
6. It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application.
7. Rebate payments are based on the equipment purchase date. Customers must abide by the rules and rebate levels in effect on the date of purchase.
8. Purchase must be of a high-efficiency electric central air conditioner, heat pump or geothermal unit as defined in the table called HVAC Energy Efficiency Systems. Both the condenser and coil must be replaced and installed as a matched set.
9. West Penn Power and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
10. Program procedures, requirements and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
11. Payment will be issued to the account holder and mailing address on record with the utility.
12. Please allow up to 90 days from the date all required information is received to process your rebate(s).
13. Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority.
14. You are urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate.
15. West Penn Power and Honeywell International Inc., its parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor.
16. The customer hereby agrees to indemnify, defend and hold harmless West Penn Power, its parents, subsidiaries, employees, affiliates and agents from any and all liability associated with this project.
17. I understand that I may be contacted by West Penn Power via survey or questionnaire to provide feedback on my satisfaction with the program.
18. By participating in this program, customer agrees to allow the local utility (West Penn Power Company) to take ownership of the energy efficiency resource credits associated with the measures generated through this program. Your local utility may at its sole discretion then aggregate your credits with other similarly situated customers and bid the credits into the PJM market through an auction. Any proceeds from any such bids accepted by PJM will be used to offset the costs charged to the utility's customers for compliance with state mandated energy efficiency and/or peak demand requirements.

By signing this application, I agree to the terms and conditions of this document. I understand West Penn Power reserves the right to audit my rebate application and if requested, I will allow a West Penn Power representative reasonable access to verify the installation of qualifying products.
